Agenda notes:

Introductions

1. Susan Habina thanked the committee volunteers, introduced staff and gave overview of the committee.
2. Committee members introduced themselves and spoke about their transportation concerns.

Transportation Concerns in my Town

1. The committee did a brainstorming activity to identify concerns common among them. Ideas were written on slips of paper.
2. The papers were then organized into common topics. These topics included safety, planning, funding, congestion, transit, and others. See attached table for summary.

Goals of the Committee

1. Susan Habina discussed how the committee's activity would provide them guidance as to what the committee would work on.
2. Chairman Schallenkamp spoke about the committee creating a priority list for roads in the town. The committee should start driving different areas of town to get a feel for the roads there.

Set Meeting Schedule

The committee agreed on meeting the Second Monday of each month at 7:00 PM. The meetings will last about two hours. The next meeting is Monday, February 12, 2007 at 7:00 PM.
